## HOT, NEW TRADING CARDS SWEEP ACROSS AMERICA

**42 COLLECTIBLE CARDZILLION TRADING CARDS IN EACH SERIES!**

### The Newest Trend

Bandai America, the creator of the Mighty Morphin Power Rangers™, Masked Rider™ and Sailor Moon™ action figures, dolls and toys is proud to introduce the world famous “Cardzillion” trading cards.

These trading cards are sold exclusively through coin operated machines currently sold only in **Toys ‘R’ Us** stores throughout the United States. Each card costs only 25 cents.

### Special Cards

Unlike traditional trading cards, **Cardzillion** cards

feature games, exciting information and fun filled facts for kids of all ages. Each trading card series consists of **42 Cards**, including **6 ULTRA Cardzillion** trading cards. The **6 ULTRA Cardzillion** trading cards are considered more valuable and a challenge to collect. Many of these ultra **Cardzillion** cards can turn into stickers.

### Current Series

Currently, Bandai America has **4** incredible **Cardzillion** card series available. They include: Mighty Morphin Power Rangers™ : Series 1, Mighty Morphin Power Rangers™ : All Star Series,

and Sailor Moon™ : Series 1. The latest series to sweep the nation is Masked Rider™ : Series 1, which became available in the beginning of March, 1996.

### Future Series

Every couple of months the special **Cardzillion** vending machines will contain a new exciting trading card series. Future series will include: Mighty Morphin Power Rangers™ : Series 2, Power Rangers Zeo™ : Series 1 and Donkey Kong Country : Series 1.
