

Place the SENTURION SYNERGIZER in the BLUE SENTURION's right hand and position his right arm down by his side. Insert the Turbo Key into the slot in the back of the BLUE SENTURION. Turn the Key counterclockwise to make him draw his weapon. Turn the Key back and forth to make the signal lights on his chest change.

**SENTURION
SYNERGIZER** **Turbo Key**

WARNING:

**CHOKING HAZARD - Small parts.
Not for Children under 3 years.**

NOTE:

If you lose the Turbo Key, you can still activate your action figure by turning the key slot left and right.
