

Open the Front Hatch and place the RED STRIKER BEETLEBORG in the cockpit, as shown below.

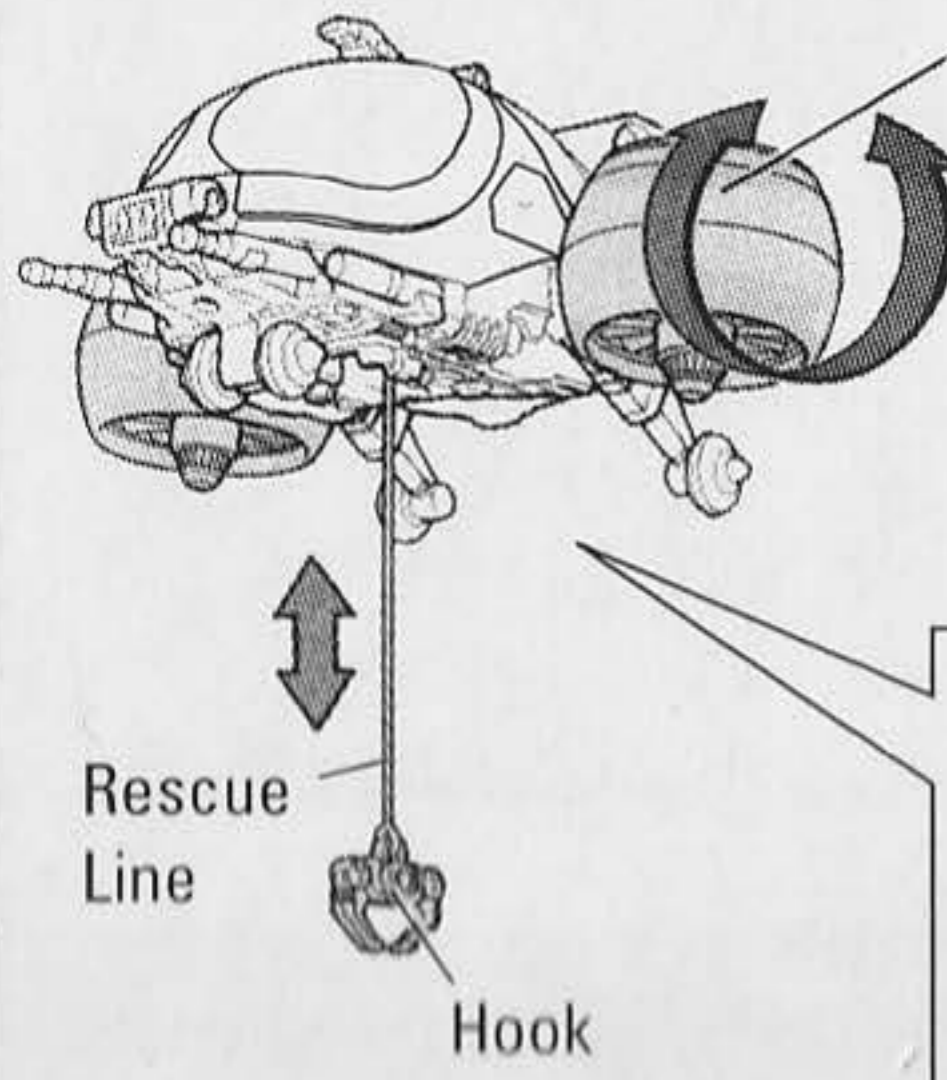

The numbers shown in the circles below are sticker numbers. Circled numbers in parentheses indicate the sticker goes on the opposite side.

The rear hatch of the RED STRIKER AV opens and closes.

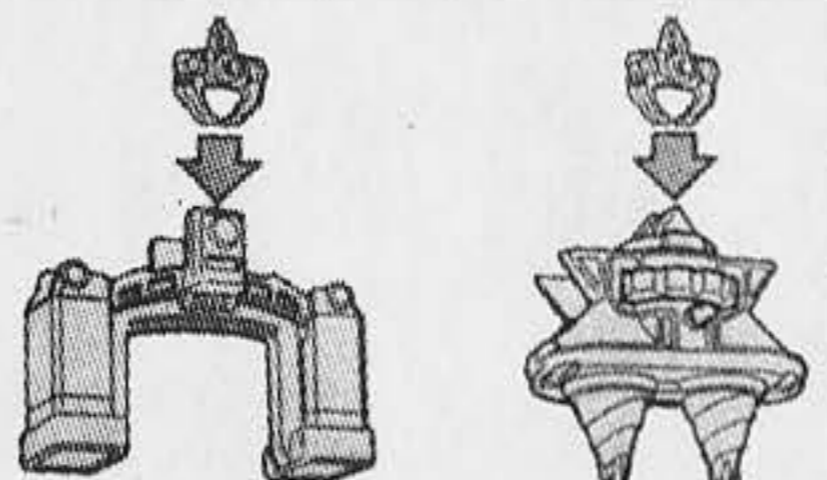

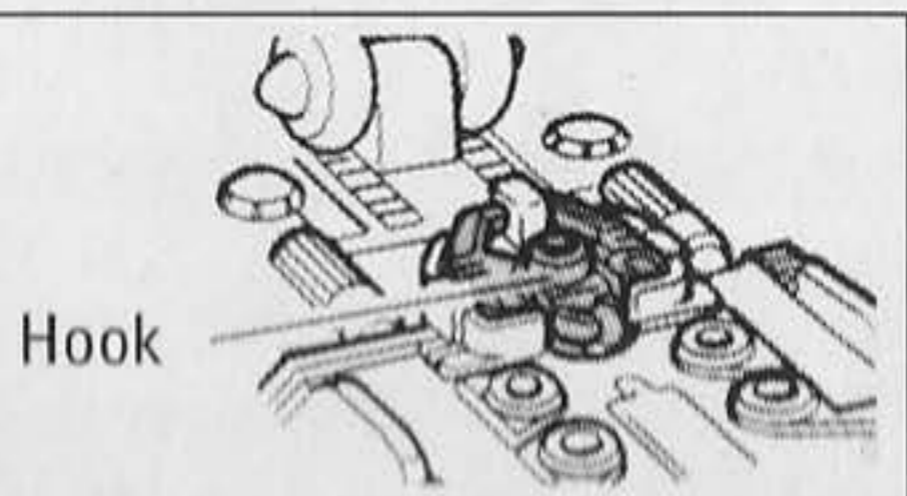

The twin jet engines rotate, as shown above. You also can rotate the jet turbines, as shown in the inset below.

Jet Engine

You can raise and lower the rescue line by rotating the Jet Engines, as shown on the left. The Hook can be stored under the RED STRIKER AV, as shown in the inset below.

Magnet Dual Drill

You can attach the BLUE STINGER AV's Magnet* or the GREEN HUNTER AV's Dual Drill* to the Hook, as shown above.

*The BLUE STINGER AV and the GREEN HUNTER AV are sold separately.
