**MAIN ELEMENTS/STICKER PLACEMENT**

**HOW TO TRANSFORM FROM BATTLEBORG MODE TO BEETLE MODE**

**1** Slide ROBOBORG's Head forward.

**2** Slide his Hand up into his Arm and rotate his Arm around so it looks like the illustration in panel #3 on the right. Repeat with the other Arm.

**3** Rotate ROBOBORG's Arms and Shoulders up and straight over his head.  
(ROBOBORG's Arms are detachable.)

**4** Lock the two Clasps on the inside of his Arms together, as shown below.

**5** Rotate the Toes into the undersides of his Boots.

**6** Pull ROBOBORG's Leg up to release the Shell from his Body. Then, rotate the Leg out so half of his Shell pulls away from his body. Repeat with the other Leg.

**7** Push ROBOBORG's Boots up toward his Knee Joints. Then, rotate his Legs around at the Knee Joints until they snap into place inside his Shell.

**8** Snap both halves of the Shell back together, as shown.

**9** Rotate the 6 Small Legs out, as shown.

**STICKER PLACEMENT**
